1. On 25 June 1955, the tank units from Wittenberg which engaged in exercises on the Elbe River unexpectedly left the training area near Gallin-Wartenburg and marched by road to Jueterbog without passing by Wittenberg. It could not be determined whether the exercises had terminated or if they had been discontinued because of floods.
2. During this summer, more troops remained at the Wittenberg post than in 1954.
3. On 14 July, at least 200 trucks were assembled just northeast of Jueterbog. Tanks were seen in a nearby woods.

Comment. No other indications of a transfer of the tank regiments of the 6th Gds Tank Div, from the area southeast of Wittenberg to Jueterbog are available. The tanks and trucks observed northeast of Jueterbog on 14 July cannot be explained. Units of the 7th Gds Tank Div, the 14th Gds Mecz Div and, according to observations on 25 June, the 6th Gds Tank Div may have been involved.
